CULTURAL HERITAGE

The grounds of the complex also feature the restored Church of the Smolensk Icon of the Mother of God, as fragments of its foundation were discovered while planning for the construction of Expoforum.

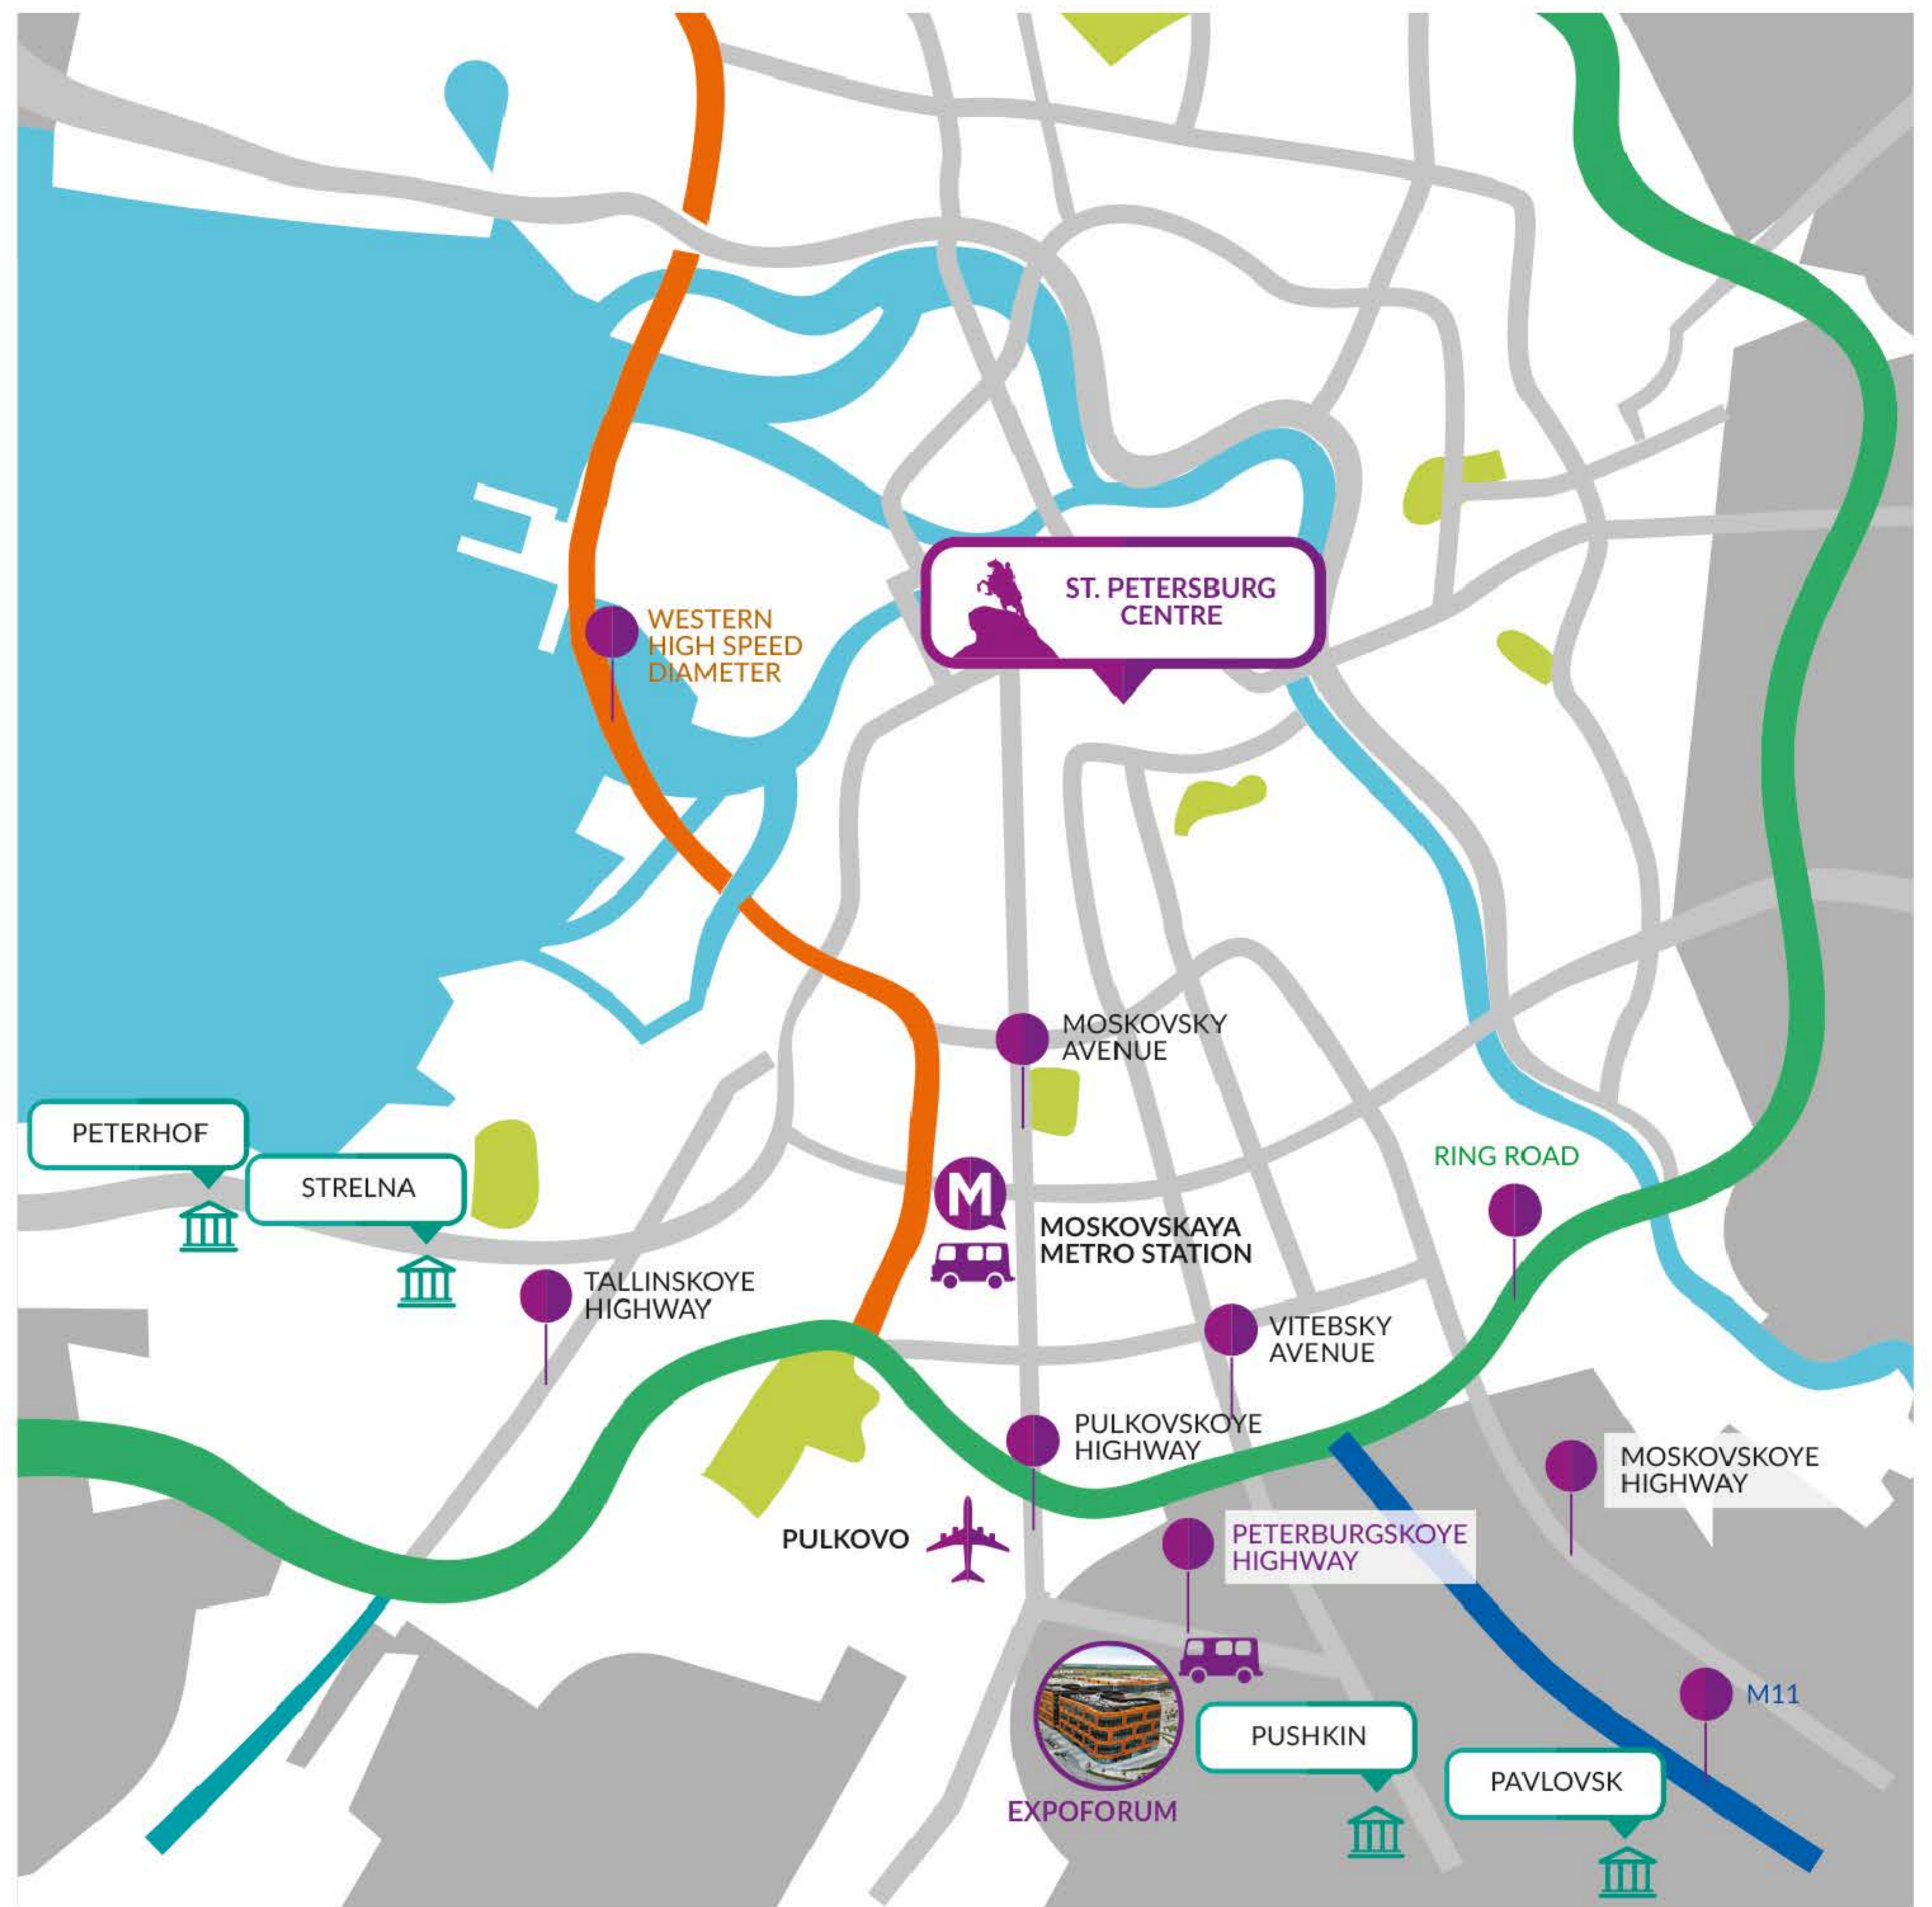

The Church built in the 18th century by Giacomo Quarenghi and lost during the war, has been restored according to the architect's surviving sketches and drawings.

LOCATION AND TRANSPORT ACCESSIBILITY

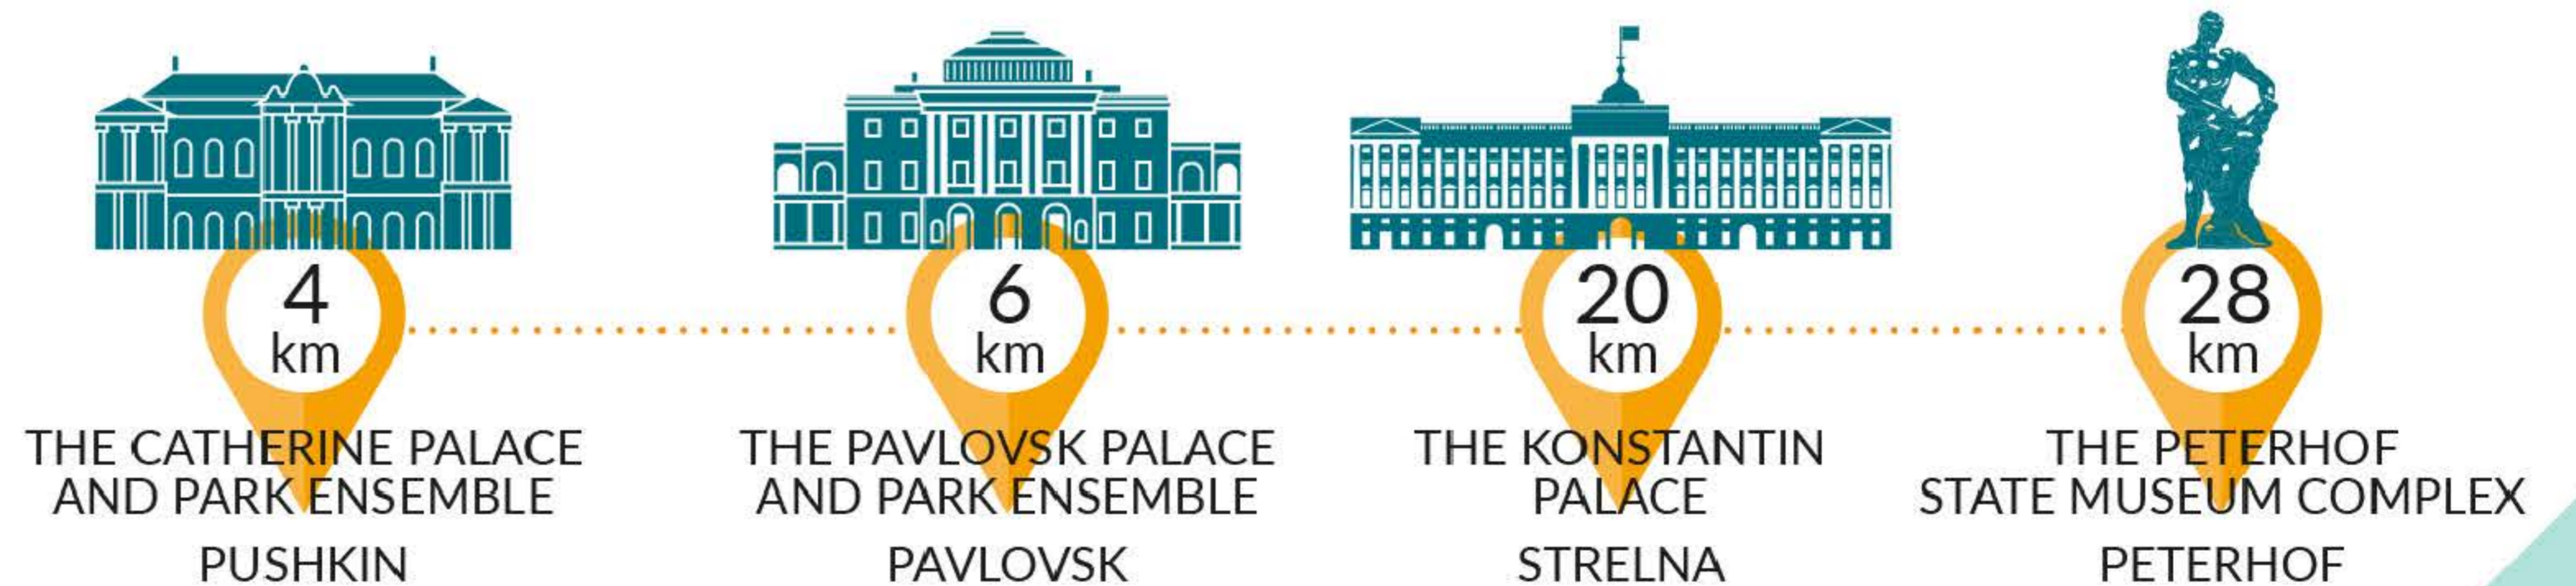

NEARBY CULTURAL AND HISTORICAL SUBURBS

St. Petersburg is the Russia's second-largest city and one of the country's leading industrial, scientific-research and cultural centres. It's one of the most beautiful cities in the world: the architectural landmarks found in its historic downtown core are proudly featured on the UNESCO List of World Heritage Sites.

5 MIN from Pulkovo International Airport | **5 MIN** from City Ring Road | **15 MIN** from Metro Station

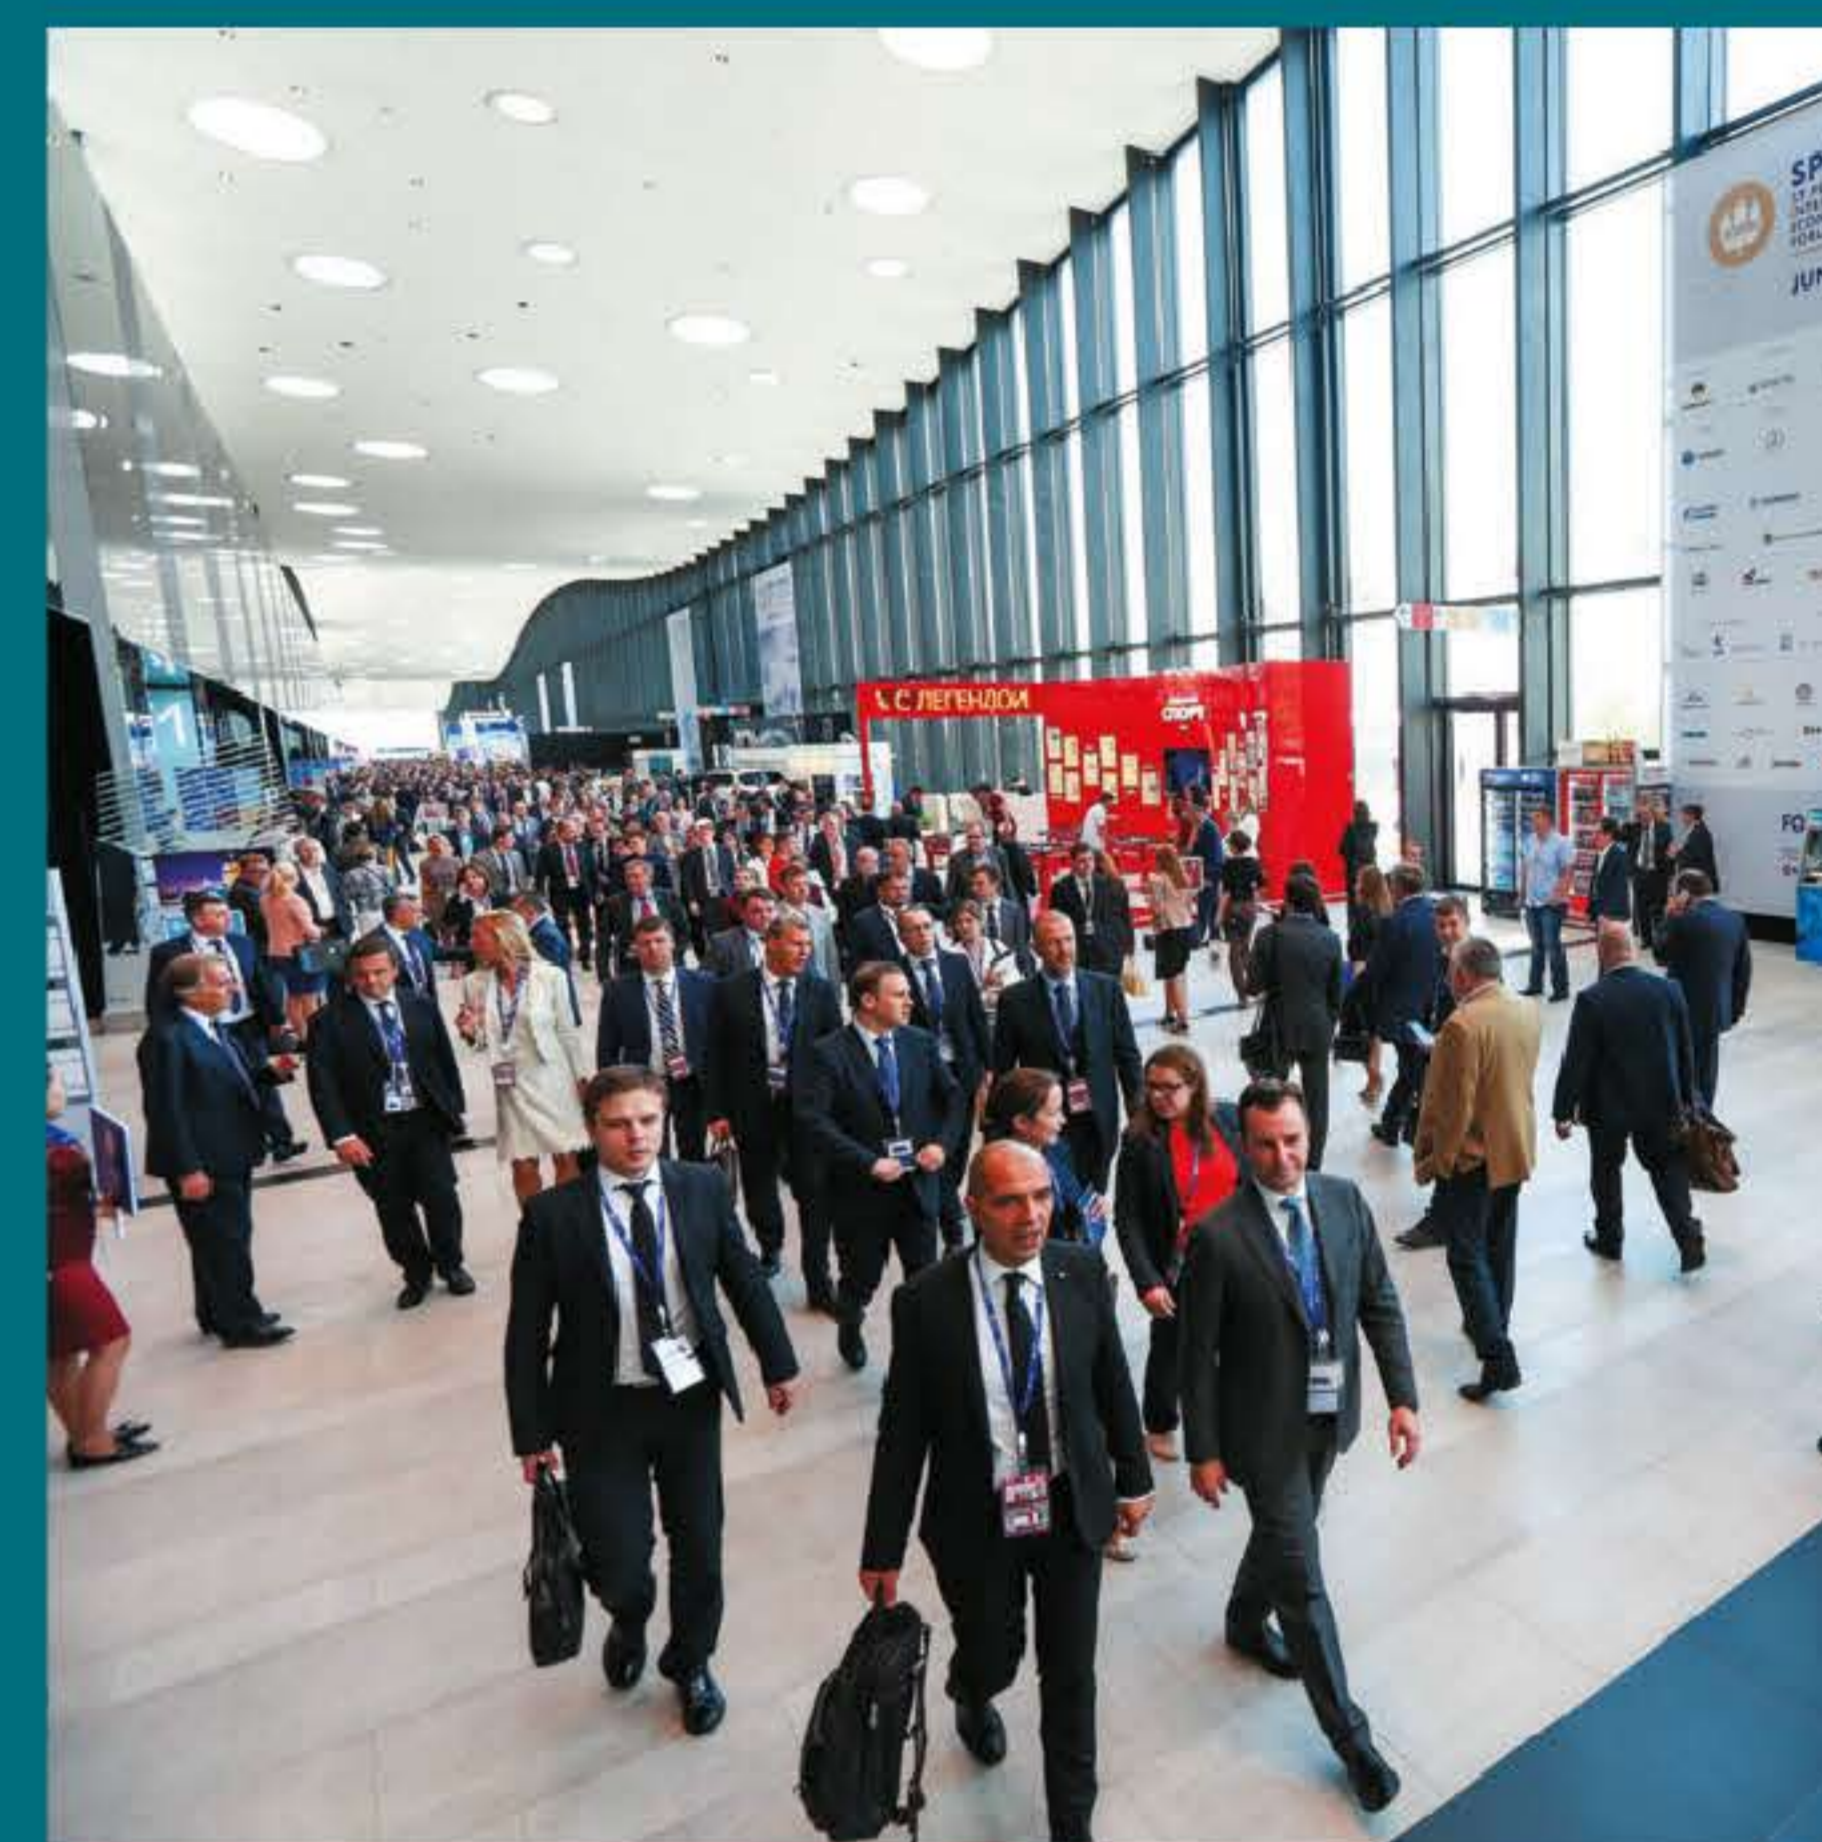

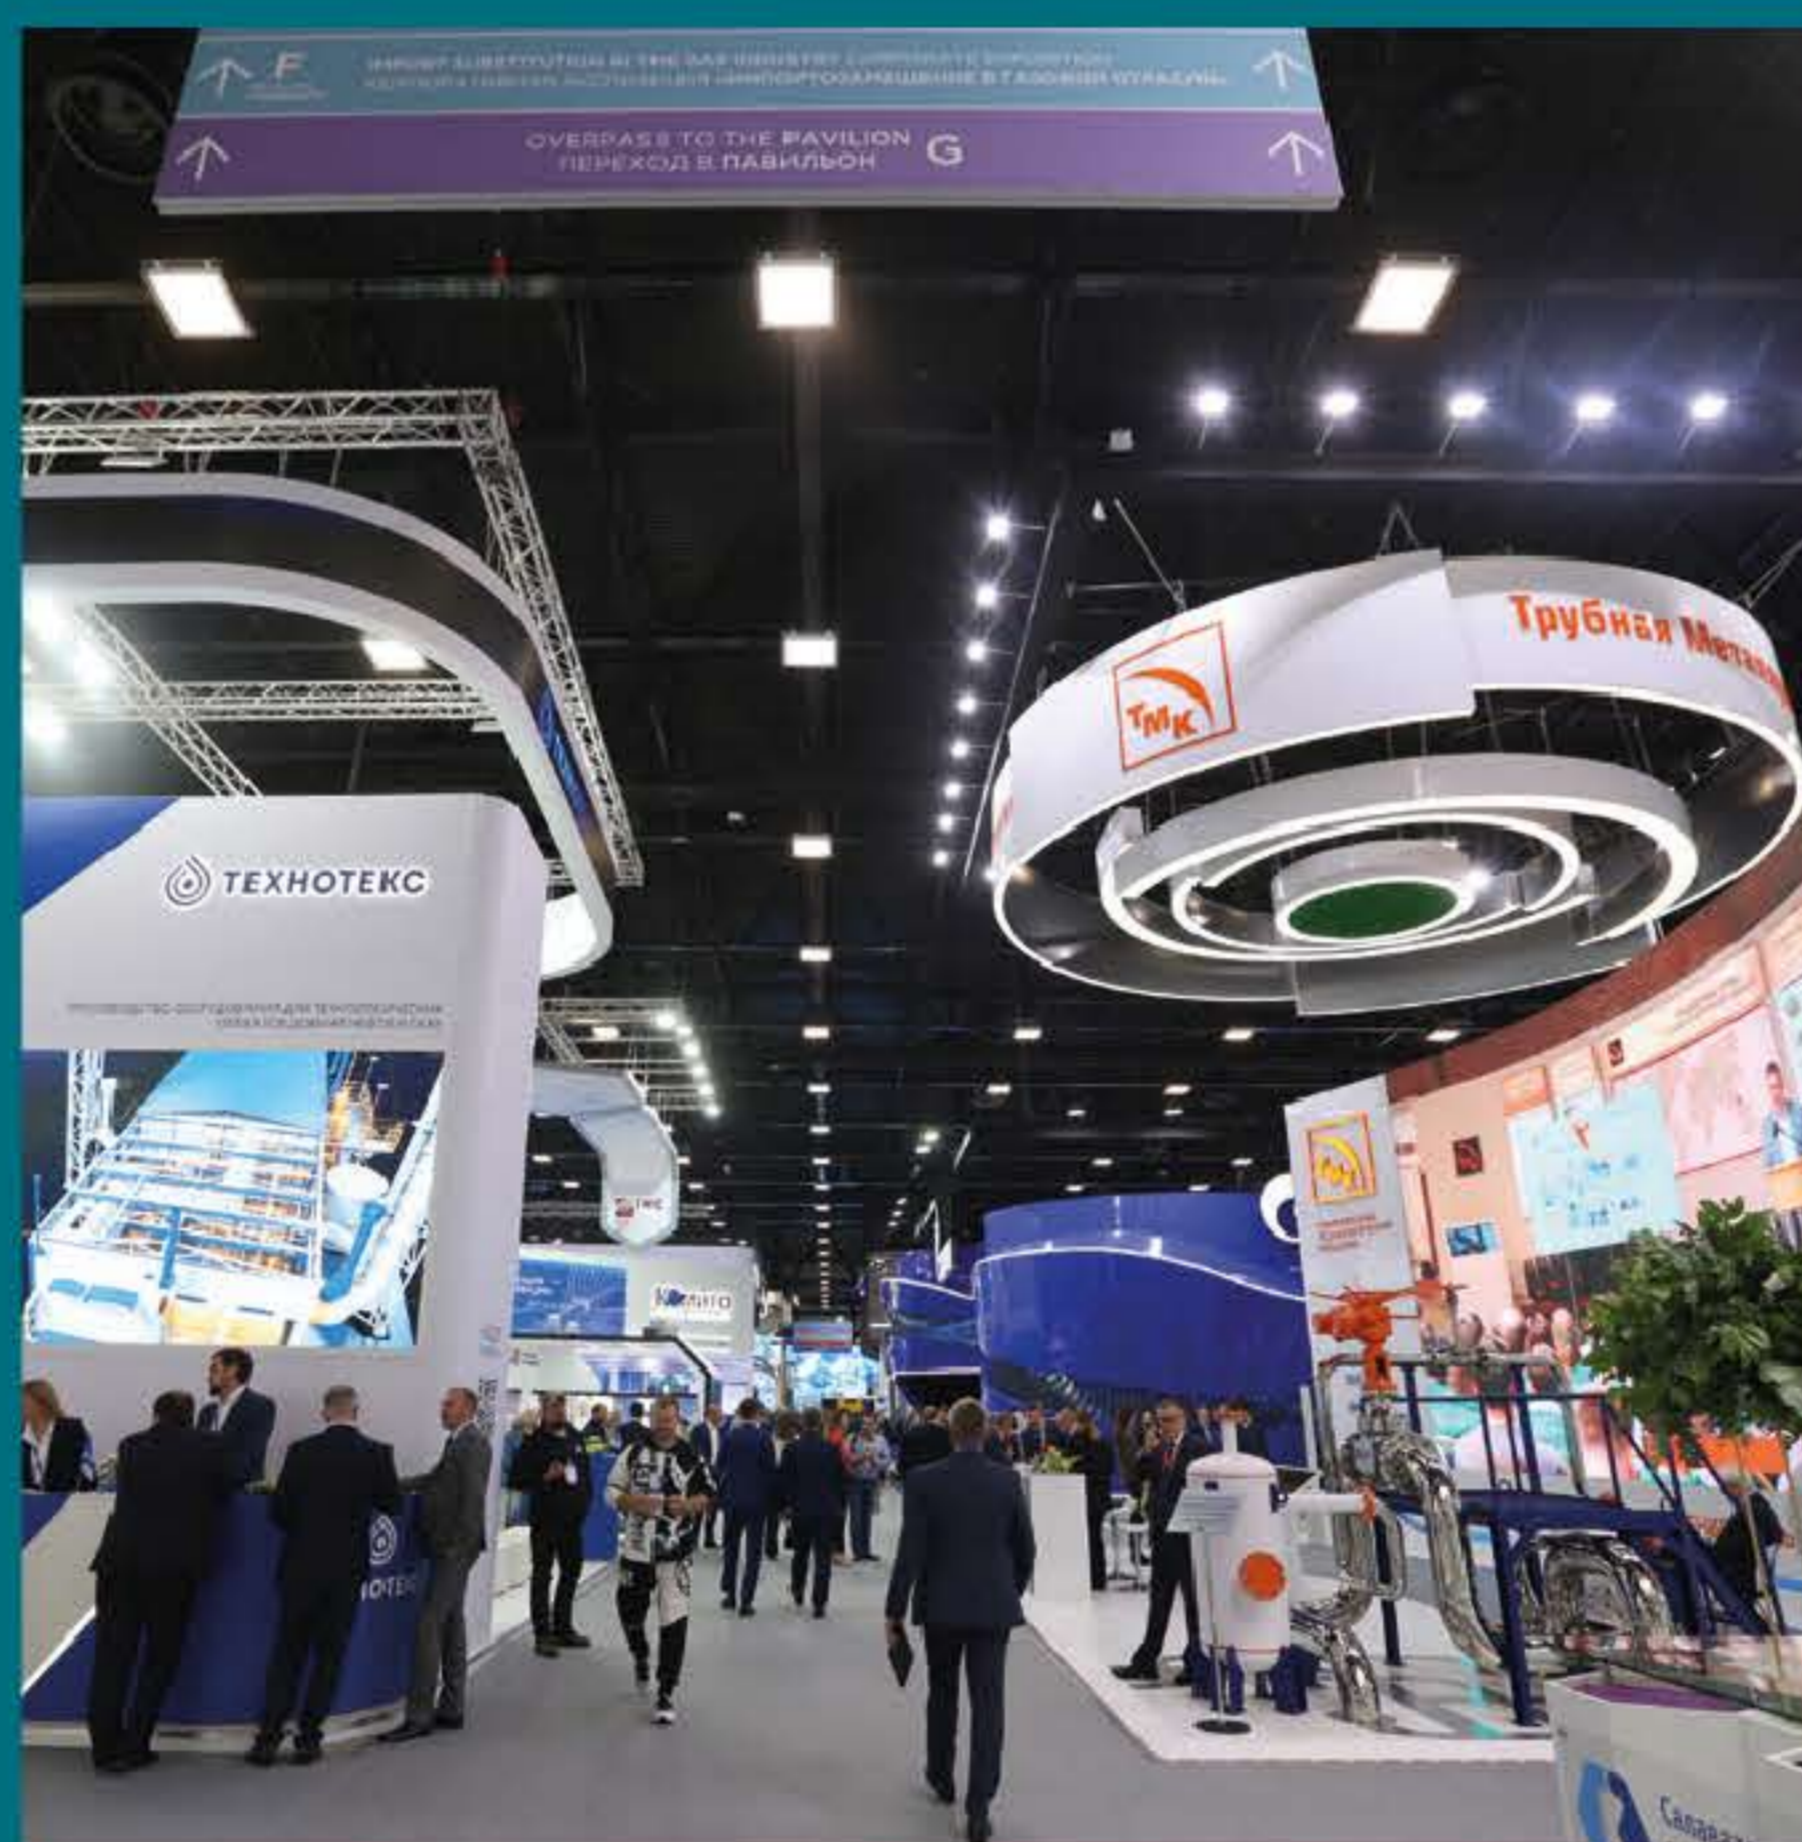

EXPERIENCE MOMENTUM

ExpoForum had been built taking into account real market demands and specific event riders. Now it is the only complex in Russia built with regard to the best world practices and specifically for events of any type and scale.
